

# GENERAL STALLHOLDER INFORMATION

## CURRIMUNDI TWILIGHT MARKET (CTM)

### THIRD FRIDAY OF THE MONTH 4PM-8PM

Held on the third Friday of each month (excluding June and July) the Caloundra Twilight Market takes over the Westaway Parade Car Park at Currimundi Lake. This is the Market that the locals love to ride their bike to, so they can enjoy dinner and music.

Our road closure commences at 2pm with Bump In available between 2:30 and 3:30pm, for trade to commence at 4pm.

#### BUMP IN

- Bump in to the Currimundi Twilight Market by entering the road closure on Westaway Parade. At the end of the road, market staff will meet you for stall siting. Please ensure your hazard lights are on and you are driving at a walking pace of no more than 10km/h.
- Please park and unload as quickly as possible and remove your car from the area.

#### BUMP OUT

- The CTM officially finishes at 8pm. Market Management will give instruction when vehicles are permitted to be brought into the precinct.
- Please pack up as quickly as possible, minimising the obstruction of other stallholders.
- Please ensure all rubbish is removed from site and not placed in the Market bins check your area thoroughly, especially for zip ties.
- The road MUST reopen by 9pm.

Currimundi is a sustainable market by the water, with no power available.

We operate a Your Mates bar, with a liquor licence from 4pm - 8pm.
